Railway apprentices courses of officers

1871. SHRI S. S. AHLUWALIA: Will the Minister of RAILWAYS be pleased to state:

(a) whether Government have assessed the requirement of officers for all the zonal Railways for which the Railways conduct apprentice courses;

(b) if so, what is the extent of requirement generated during the last 3 years and to what extent they could be filled by the Railway trained apprentices; and

(c) whether there is a need to ex pand the existing training facilities to cope with the growing demand of the Railways; if so, what action is proposed to be taken in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF RAILWAYS (SHRI MAHAVIR PRASAD): (a) Only in Mechanical Department of the Indian Railways, the requirement of officers is partly met by recruitment as Apprentices. Such assessment is done annually for the Indian Railways as a whole.

(M Every year, the assessment to be filled by this mode is worked out taking into account various factors Including the actual materialisation in the previous year. Thus the assessments made in the yeaps 1985, 1986, 1987 were 20, 27 & 29 respectively. Recruitments were accordingly processed and any shortfalls due to medical unfitness etc. carried forward to the next year.

(c) Adequate training facilities are available to cater for the present requirement.

hofor the Children of Railway Employees

1872. SHRI S. S. AHLUWALIA: Will the Minister of RAILWAYS be pleased to state:

(a) whether the railways have formulated any plan for the education of children of railway employees all over the country;

(b) if so, what are the criteria evolved to locate schools run by the railways at less important railway stations where the children do not get an alternative source of good education;

(c) what is the total number of schools which are now being run by the railways and whether they are mostly clustered In urban areas;

(d) if not, what is the urban-rural breakup of such schools; and

(e) what is the number of schools proposed to be set up during the next two years—with their locations?

THE DEPUTY MINISTER IN THE MINISTRY OF RAILWAYS (SHRI MAHABIR PRASAD): (a) and (b) Provision of educational facilities is primarily the task of State Government |Union Ministry of Human Resource Development. However, Railways have provided purely as a welfare measure, a large number of Railway Schools at different stations, where there is concentration of Railway employees to meet their needs, and where such facilities are not available or are found inadequate, subject to availability of funds. In addition, Kendriya Vidayalaya5 in Railway colonies have been set up.

(c) Total number of schools run by the Railways is 684. These schools are not mostly clustered in urban areas.

(d) Does not arise.

(e) There is no proposal to set up new Railway Schools. Efforts are being made to establish Kendriya Vidyalayas.

Passenger facilities in trains

1873. SHRI S. S. AHLUWALIA: Will the Minister of RAIIWAYS be pleased to state:

(a) what are the scales prescribed for providing facilities in first class

AC 2-tier and in second class 3-tier coaches.

(b) whether any survey has been made to ensure that these facilities have been duly provided in the Northern, Southern, Central and Western Railways and whether any deficiencies have come to Government's notice.

(c) What is the number of cases of lack of basic amenities like drinking water, water in the toilets, lights during night and availability of wholesome food on the way-side stations have come to the knowledge of Government; and

(d) what are the details of steps Uaken to remove tfhese difficulties! faced by the travelling passengers?

THE DEPUTY MINISTER IN THE MINISTRY OF RAILWAYS (SHRI MAHABIR PRASAD): (a) The scales prescribed for passenger amenities for different classes generally are as per Statement. [See Appendix CXLVII, Anexure No. 76].

(b.) As per extent rules, all coaches before starting at the terminal points are examined for deficient passenger amenities and replacements arranged. However, sometimes due to vandalism, theft and pilferage, the replacement needs outstrip the availability of amenity spares and coaches run temporarily in the same condition.

(c) The statistics are maintained by Railways under the following heads: —

(i) Non-availability of water at Stations.

(ii) Maintenance of coaches including cleanliness of coaches and water in coaches.

(iii) Functioning of electrical equipment including lights, fans, AC plants, etc.

(iv) Catering and Vending Services. The details of complaints received for Northern, Southern, Central and Western Railways under th$_e$ above categories for the months January to March, 1988 are as per Statement (See below).

(d) Some of the steps taken to further improve the services in these areas are:—

(i) All possible efforts are made to provide adequate water resources-

(ii) Where Railway sourecs are used, adequate standby pumps are provided;

(iii) Whereve$_r$ possible diesel standby pumps are provided, in case of electric failure;

(iv) Watering of trains at terminals ^{an}d at enroute nominated stations is being ensured and is backed with an efficient record keeping system.

(v) Arrangements for supply of drinking water at stations and on some of the superfast trains.

(vi) In addition to preventive maintenance electrical repair staff are provided at important junctions/ stations - for attention of complaints enroute.
